

Read to Succeed!

We would like to thank the Sieden Prairie PTO for again sponsoring the eleventh annual Six Flags “Read to Succeed Program” here at Sieden Prairie School. The program endorsed by our Governor is geared to readers in Grades K-6. Each student who reads for 360 minutes (6 hours) between January 1st and February 26th and returns a completed Tally Sheet signed by a parent will receive one free admission ticket for any Six Flags Theme park. Students may read books, magazines and newspapers. Reading to complete school assignments does not count. Mrs. Laura Smolenski and Mrs. Karen Kasper, LRC Director will serve as the program coordinators.

To support the efforts of our PTO I would like to extend an invitation to you. In conjunction with this event we will feature **Guest Readers** in each of our classrooms for the duration of the program. Would you please consider joining our crusade and volunteer for a twenty minute period? If you are interested, please return the sign up sheet coming home with your child on January 5th, e-mail your intentions to kkasper@dist159.com, or call the LRC 720-9289 to schedule a reading date and time.

Thanks in advance from all of us here at Sieden Prairie School. Your support is greatly appreciated as we become a community of readers!

Read On Forever,
Karen J. Kasper
LRC Director
Sieden Prairie School
