

Elementary School District 159

Dr. Denean Adams, Asst. Superintendent of
Curriculum, Instruction & Assessment

Presents

“2nd Annual Fall Assessment Forum”

The pandemic made clear that the way students learn looks totally different from last year. By now, your child has taken one fall assessment test. Join our Asst. Superintendent of Curriculum, Instruction and Assessment and building principals as they discuss school-wide practices and what they know from the NWEA assessment data. In addition, during these unprecedented times, we'll discuss the learning path to address student's needs and success. There will be a Q/A segment just for you!

Bring your questions and child's data.

Don't forget to invite a friend, too!

You're invited to a Zoom meeting.

When: Thursday, October 22, 2020 @ 6:00 PM
